INSTRUCTIONS

Step 1 – On a piece of paper sketch out your plan for the layout of your canvases and the design for each one.

Step 2 – Paint the canvases you wish to have a solid background colour. Allow to dry before painting another coat.

Step 3 – Use the pencil to lightly draw on your fruit designs to each canvas being careful to not press too hard.

Step 4 – Using the smaller paint brushes, paint in each fruit design. Wait for paint to dry before painting in details of each fruit on top.

Step 5 – To finish place in floating frames and hang on display!
