TENSION

12 sts + 14 rows = 10cm in stockinette in the round.

Pattern Notes - Hat is worked from the bottom up on circular needles and then finished on double pointed needles for the crown shaping. Opposite colour is stranded behind work on rounds with more than one colour. Keep floats very loose to ensure hat can still stretch. Pattern is written for three sizes: child (adult small, adult large). Up to three adult large hats can be made with one skein of each colour if alternating colours. Designate a colour A, B, and C before beginning.
