MUSLIN BABY WRAP

e EASY

WHAT YOU'LL NEED

- 3m printed muslin
- Sewing machine and matching thread
- Scissors, pins and measuring tape
- Iron and ironing board

MEASUREMENTS

Finished size (<i>approx</i>)	cm	130 x 145
---------------------------------	----	-----------

INSTRUCTIONS

Step 1 – Fold your 3m cut of muslin fabric in half right sides together with selvedge's matching. Trim edges to ensure fabric is straight.

Step 2 – Using a 1.5cm seam allowance, sew around the three open edges, leaving an opening of 10 cm. Make sure to back stitch either side of the opening.

Step 3 – Turn project right way out, using the opening so that wrong sides of fabric are now facing.

Step 4 – Press lightly using a warm iron to ensure edges are straight.

Step 5 – Using 1/2cm seam allowance, top stitch around all 4 sides of the baby wrap including the opening.
