STEAMPUNK GEAR NECKLACE

e EASY

WHAT YOU'LL NEED

- Assorted 'Steampunk' Gears
- 'Steampunk' Key Charms
- Pliers
- Jump rings
- Chain
- Wire cutters

INSTRUCTIONS

Step 1 - Layout all your 'Steampunk' components on a flat work bench and begin to piece together what you would like your finished design to look like.

Step 2 - When you are happy with the design, begin to piece together the steampunk gears using the chain and jump rings to join all the components together.

Step 3 - Measure how long you need the chain to be for the necklace to sit at you desired length on your chest and cut this length from the chain.

Step 4 - To finish use the pliers and jump rings to attach a clasp and finish your necklace.
