

SPOTLIGHT

BLOOMING PAISLEY QUILT

Nº 15.21.18
PROJECT SHEET

It's what you make it.

BLOOMING PAISLEY QUILT

i INTERMEDIATE

FINISHED SIZE 190cm x 190cm

WHAT YOU'LL NEED

Fabric A - Blooming Paisley All Over Sky

Fabric B - Blooming Paisley Indigo

Fabric C - Blooming Paisley Scroll Indigo

Fabric D - Matching Blender

Fabric E - Blooming Paisley Mini Mandala

Fabric F - Blooming Paisley Large Medallion Multi

Fabric G - Matching Blender

- Matching 100% cotton thread
- Rotary cutter, mat and quilters rulers
- Quilting pins, tape measure
- Scissors, seam ripper
- Hand needle
- Sewing machine with ¼" foot and walking foot

INSTRUCTIONS

Step 1 - Make 4 large squares the same

***Please note make centre square in different choice of outer square fabric.**

Cut:

5 - 9 inch squares of Fabric A

8 - 7 inch squares - cross cut squares to make 4 triangles of Fabric C

2 - 7 inch squares of Fabric B

Step 2 - Sew triangles together to form squares as pattern shows

Step 3 - Large flying Geese:

20 large flying Geese with fabric A & E:

Fabric E: Cut 10 - 9.25 inch squares - crosscut these to make 2 triangles

Fabric A: Cut 20 - 7.25 inch squares - crosscut these to make 2 triangles

Step 4 - Sew the combined matching fabrics to form the flying geese 8 large flying Geese with fabric F & G:

Fabric G: Cut 4 - 9.25 inch squares - crosscut these to make 2 triangles

Fabric F: Cut 8 - 7.25 inch squares - crosscut these to make 2 triangles

Step 5 - Sew the combined matching fabrics to form the flying geese 4 large flying Geese with fabric C & G:

Fabric G: Cut 2 - 9.25 inch squares - crosscut these to make 2 triangles

Fabric C: Cut 4 - 7.25 inch squares - crosscut these to make 2 triangles

Step 6 - Sew the combined matching fabrics to form the flying geese

4 large flying Geese with fabric B & G:

Fabric B: Cut 2 - 9.25 inch squares - crosscut these to make 2 triangles4

Fabric G: Cut 4 - 7.25 inch squares - crosscut these to make 2 triangles

Step 7 - Sew the combined matching fabrics to form the flying geese

Square Triangles:

Cut 8 - 7.25 inch squares of fabric D & F cross cut these and then join together to make 16 square triangles.

Cut 4 - 7.25 inch squares of fabric A & C cross cut these and then join together to make 8 square triangles.

Cut 2 - 7.25 inch squares of fabric D & G cross cut these and then join together to make 4 square triangles.

Cut 4 - 7.25 inch squares of fabric A & E cross cut these and then join together to make 8 square triangles.

It will make it easier to put all the quilt together if the edges are trimmed neatly on all edges.

Step 8 - Following the pattern grid below. Layout the quilt as it is to be sewn together and work in rows to complete putting the quilt together.
