ACRYLIC KEY RINGS WITH VINYL

i EASY

WHAT YOU'LL NEED

- Acrylic round key chain
- Key ring chain
- Metallic gold vinyl
- Transfer tape
- Cricut machine
- Black acrylic paint
- Paint brush
- Gold foil & glue - optional

INSTRUCTIONS

Step 1 - Peel the protective plastic on the acrylic blank and paint one side with black acrylic paint. Let dry.

Step 2 - Open a new canvas in the design space application. Select click shapes and select circle, change operation to pen. Change measurement to match your acrylic blank round measurement. This will help you to determine the correct size for vinyl to cut and fit your blank with ease.

Design 1 & 2

Step 1 - To create design 1 & 2, select text button and write in text box "Mom" and "Nanna" separately.

Step 2 - We use "Alyssa Stencil Script" font
*cricut subscription might be required.

Step 3 - Scale to fit in the circle you created earlier. Once you are happy with the proportion, delete the circle and proceed to select "make it".

Step 4 - Select material to use, we used metallic vinyls. Begin to load your metallic vinyls on to cricut cutting mat and follow the prompt in design space app.

Step 5 - Once the cut it finalised, weed out the vinyl that are not required.

Step 6 - Use transfer tape to transfer your cut on to the acrylic round blank.

Design 3

Step 1 - Select images - search: Happy Mother's Day Wreath #M268D8792

Step 2 - Scale to fit in the circle you created earlier. Once you are happy with the proportion, delete the circle and proceed to select "make it"

Step 3 - Select material to use, we used metallic vinyls. Begin to load your metallic vinyls on to cricut cutting mat and follow the prompt in design space app.

Step 4 - Once the cut it finalised, weed out the vinyl that are not required.

Step 5 - Use transfer tape to transfer your cut on to the acrylic round blank. Attach completed round acrylic to key chain.
