# BOHO MANDALA WALL HANGINGS

**e** EASY

## WHAT YOU'LL NEED

- Packets of feathers
- Macramé cord
- Round timber placemats: Large and small
- Timber beads
- Cowrie shells
- Sharpie pen
- Unfinished ceramic coasters: Square and circle
- Large Square Ceramic Tile
- Hot glue gun and glue sticks

## INSTRUCTIONS

**Step 1** - Open up and lay out all your supplies in front of you on a clean work space so you can see all the different materials you have to work with.

**Step 2** - Use the large and small timber placemats as a base and begin positioning the feathers around the edges. Once you are happy with the layout, use the hot glue gun to glue in place.

**Step 3** - Play with laying the feathers, macramé cord and beads to create different boho inspired designs. Use the hot glue gun again to secure in place.

Step 4 - You can even create smaller designs on the small timber coasters and then glue them onto a larger timber placemat to create a layered/3D look.

**Step 5** - Repeat the same process with the unfinished ceramic coasters, positioning and gluing the products on as you please. You can use a pencil to draw a mandala design onto the coaster and then use a sharpie or paint to fill it in. The options are endless with these wall hangings, let your creativity go wild and see what interesting designs you

come up with.

**Step 6** - To finish, hang them grouped together on a wall to create a boho inspired display.
