

Christmas
**FLORAL
WREATH**

WHAT YOU'LL NEED

- Foam Ring
- Thick Ribbon
- Thinner ribbon or yarn – for hanger
- Christmas Stems eg. Poinsettias, glitter twigs, roses, peonies
- Pliers
- Scissors
- Pins
- Hot Glue Gun and Glue Sticks

STEP 1

Wrap ribbon around wreath to cover foam. Use pins to fix the ribbon to the foam. Wrap on a 45 degree angle to avoid puckering.

STEP 2

Cut Christmas Floral stems to roughly 10cm and push into wreath. Please note you may need to make small holes in ribbon with a knife to push stems into. Use a hot glue gun to secure petals in desired position.

STEP 3

Cut the glitter twigs to the base of where they start to branch out and glue them to the wreath under the Christmas Floral Stems.

STEP 4

Pin ribbon to make a hanger at top of wreath.
