COLOUR BLOOM COASTERS

e EASY

WHAT YOU'LL NEED

- Color pour resin and hardener
- Transparent blue, bright pink, light pink, and white dyes
- Color pour resin coaster molds
- Gloves
- Mixing cup
- Mixing stick

INSTRUCTIONS

Step 1 - Mix equal parts resin and resin hardener, stirring slowly for 3-5 minutes. Make enough to fill the coaster mold.

Step 2 - Place the mold on protected work surface and pour clear resin to almost fill the mold. Let sit for five minutes.

Step 3 - Add one or two drops of each colour to the surface of the resin followed by a drop of transparent white dye directly on top of the other drops. Repeat 2-3 times as desired.

Step 4 - Let the resin cure on a flat surface for 24-48 hours. Demold and enjoy!
