FABER CASTELL FABRIC MARKER SNEAKERS

e EASY

WHAT YOU'LL NEED

- Faber castell textile colour marker in basic and neon 5 pack
- Canvas sneakers of your choice
- Pencil

INSTRUCTIONS

Step 1 - Sketch your design onto the shoe so there is a reference design to refer to when colouring in later. We used retro and ditsy floral patterns as our inspiration.

Step 2 - Colour in the design, start with light and small strokes so it doesn't bleed into other areas. The markers have different widths depending on the angle of the nib so use this to your advantage.

Step 3 - Let dry for 24 hours to allow the ink to set, your customised sneakers are now ready to be worn out.

Step 4 - If the sneakers gets dirty, it's best spot clean or they can be put into the washing machine, washable up to 40°C or 60°C.
