FAIRY GARDEN SKATEBOARD DECK

e EASY

WHAT YOU'LL NEED

- Wooden Skate Deck
- Hot Glue Gun
- Moss Mat
- Fairy Village Pieces
- Moss Pads & Balls
- Scissors
- Flower Heads
- Pebbles
- Sand
- Black Marker

INSTRUCTIONS

Step 1 - Place the skate deck on top of the moss mat and trace using the black marker.

Step 2 - Cut out the traced portion of the moss mat, using the scissors, and glue it to the top of the skate deck, using the hot glue gun.

Step 3 - Glue down the pebbles, in the middle of the moss mat, to create the outline of the stream.

Step 4 - Fill the inside of the stream shape with glue and sand to create the stream.

Step 5 - Now the fun part! Take your favourite Fairy Village pieces and, using the hot glue gun, secure them onto the moss mat to create your dream fairy village!

Step 6 - Finish it off by glueing down the flower heads and moss pads and balls throughout the display.

Step 7 - Enjoy!
