e EASY

WHAT YOU'LL NEED

- 2 x Jolly & Joy PVC Pine Garland 2.7m
- 1 x Jolly & Joy PVC Pine Wreath 45cm
- Christmas Hot Buy Baubles 6cm, 9pk
- Jolly & Joy Picks Assorted
- Natural eucalyptus
- Wire
- Jolly & Joy Baubles 3cm, 25pk
- Jolly & Joy Fairy Lights, White
- Ribbon

INSTRUCTIONS

GARLAND:

Step 1 - To create a full and dense looking garland, twist 2 lengths of garland together.

Step 2 - Thread the light pack throughout the garland while the lights are switched on so you can see where the lights are placed and if there is any blank sections.

Step 3 - Place natural twigs of eucalyptus throughout the garland to fill it out even more.

Step 4 - Spread the larger baubles throughout and use wire to attach them to the garland. Place some further back or behind the garland to create depth and layers of decorations.

Step 5 - Use sprigs of the picks and place evenly throughout the garland.

Step 6 - To finish use the mini baubles to fill any gaps.

WREATH

Step 1 - Start by spreading the wreath evenly to create a full and bushy look.

Step 2 - Place natural twigs of eucalyptus throughout the garland to fill it out even more.

Step 3 - Continue building layers by spreading the larger baubles around the wreath. Nestle some baubles further back in the wreath to create depth and layers of decorations. Use wire to attach the baubles to the wreath and secure in place.

Step 4 - Attach the mini baubles with wire to fill in any gaps.
