HOW TO MAKE A POM POM

e EASY

WHAT YOU'LL NEED

- Classic Knit Dual Pom Pom Maker Yellow
- Assorted Yarn
- Scissors

INSTRUCTIONS

Step 1 - Start by wrapping yarn around the pom pom maker until desired size is reached. The more yarn wrapped the fuller your pom pom will be.

Step 2 - Cut another piece of yarn and wrap around the middle of the yarn and tie a knot to secure all the yarn.

Step 3 - Cut around all looped edges of yarn to free each thread and create the pom pom.

Step 4 - Use scissors to trim any excess yarn and create a neat round shaped pom pom. Repeat this process to create more pom poms that can be used for lots of craft or home décor projects.
