# KAISERCRAFT LILAC SHADOW BOX

**e** EASY

## WHAT YOU'LL NEED

- Kaisercraft Lilac Mist Collectables
- Kaisercraft Lilac Mist 12x12 paper pack
- Lilac mist 12x12 paper pack
- Craft Glue
- Acrylic Paint - Purple

## INSTRUCTIONS

Assemble the Kaiser Wooden Shadow Box and paint all edges and sides that will be visible.

Once dry, carefully cover the sides and background (back of shadow box) with desired papers from the Lilac mist 12x12 paper pack. The Dreamcatcher paper was used in our project.

Embellish the background:

We added extra depth by first gluing desired collectables to Gingham paper from the 12x12 paper pack, and then cutting out with a slight border.

Adhere your desired collectables in selected shelves.

To finish, embellish your shelves with as much or as little as you desire - use rhinestones and paper blooms for additional interest!
