14.18.48

EASY

WHAT YOU'LL NEED

- Moda Vera Yana 50g ball, 1 ball each of 3 colours
- Pom Pom Loom Multi Coloured
- Scissors, yarn needle
- Double sided Tape and Craft Glue
- Bamboo rod 50cm long

INSTRUCTIONS

Make a selection of pompoms and tassels out of each colour of Yana as the picture in varying sizes with two longer strands of yarn left to tie to the rod. Attach a length of Double Sided Tape along the Bamboo rod and tie on the pom poms and tassels at varying heights then wrap the bamboo rod with 3 strands of yarn, one of each colour to hide the knots and secure at the ends of the rod with a dab of glue along the back. To hang the rod make a twisted cord using one length of each colour.

How to make a tassel:

Cut a piece of cardboard to the finished length of the tassel. Wrap the yarn around the centre of cardboard until the desired thickness is reached for the tassel. Carefully slide the wrapped yarn off 1 side of cardboard onto your fingers. Using another piece of yarn, wrap around near the top of the looped yarn to create the head of the tassel. Secure tightly with a knot and trim along the bottom looped edges of the yarn.
